Returning Student Fees

EHCS offers continuous enrollment contracts, which means that once enrolled, students are automatically re-enrolled each year until graduation or until the parent informs the school otherwise.

Continuous enrollment contracts may be canceled in January of each year without penalty.

To terminate this Enrollment Agreement, the Parent/Guardian must notify the Admissions Office by submitting the Opt Out/Withdraw Form by January 31st of the current school year. Parent/Guardian acknowledges that the tuition and fees charged for the academic year are for an enrollment place within EHCS and not for a specified period of attendance. Accordingly, the absence of a student during that academic year does not materially reduce the expenses of EHCS. Parent/Guardian agrees that the absence, academic failure, or withdrawal of the student during the academic year shall not excuse, alter, abate, or nullify the parent's/guardian's obligations for payment of tuition and certain other charges and fees through the academic year.
