

BIRD'S EYE VIEW

A LOOK AHEAD TO NEXT WEEK AT
EAST HILL CHRISTIAN SCHOOL

Dear Parents and Guardians,

I want to extend a heartfelt thank-you to everyone who attended the kickoff for our **Feed the Need fundraiser** last night! It was a wonderful event, and I am excited to see the many ways our school and community will benefit from this initiative.

If you weren't able to attend, you can follow the link below to register you and your family. I'm proud to share that **100% of our faculty and staff have already registered and are actively participating**—and I hope every family will join us as well!

The first portion of the funds raised will go toward purchasing pallets of nutritious food to package and distribute to those affected by the recent hurricanes. The remaining funds will help us buy safe, reliable transportation for field trips, athletic contests, and other school-sponsored activities.

Last night, Mrs. Hawkins explained that if each family raises \$310.00, we will easily meet our goal of \$100,000.00—the average amount raised by schools of similar size. Thank you in advance for your generosity and support!

Student-Led Conferences Next Week

When we shared the calendar for the year, you may have noticed that we have two days next week dedicated to conferences. Our teachers have sent out notifications and sign-up sheets via Parent Square for you to select a convenient day and time.

These conferences will look a little different from what you might expect. Instead of a traditional parent-teacher meeting, **your student will lead the conference**, guiding you through a reflection on their performance and learning from the first quarter. This approach aligns with our goal of helping students take responsibility for their own learning and growth.

To ensure that each student can participate meaningfully, please review the schedule and choose a time that works for your family. If you encounter any conflicts or have questions, don't hesitate to contact your student's teacher or one of our principals.

Thank you for your continued partnership in your child's education.

Wings Up!
Dr. Hadley
